Stockholm and Rotterdam Conventions

RealSense, Inc.
20400 Stevens Creek Boulevard
Suite 290
Cupertino, CA 95014

RealSense is committed to protecting people, property, and the environment and complying with all applicable hazardous substance regulations.

Upon review of the Stockholm Convention on Persistent Organic Pollutants (POPs) and the Rotterdam Convention (for Prior Informed Consent (PIC)), RealSense believes that none of our products use the chemicals in question.

For additional information regarding declarable substances in RealSense products, please reference our [RealSense® Regulatory Information](#), aligned with [IEC 62474 standard](#).

We will continue to monitor the applicable regulatory requirements as part of our on-going compliance activities.

Regards,
